## COMPANY OVERVIEW

---

Optimum Logistics, situated in Durban, Kwa Zulu Natal, South Africa, is a premier transport and logistics company. Our dedication to excellence and a team of seasoned professionals makes us a trusted partner for clients seeking reliable and efficient transportation solutions. We have been in the road transport industry since 2014, and our inspiration is to provide a service to a unique and proportionate client base that needs to outsource their distribution and delivery requirements of consignments to various destinations around South Africa.

Optimum Logistics is 100% BEE compliant and can proudly say that since our inception, we have established a remarkable reputation for reliability and timeous deliveries, thereby allowing us to expand and escalate our service levels. Our goal is to offer a tailor-made service to our clients through continual focus on performance.

Due to the growing industry and the need for improvement, Optimum Logistics has and will always cater to the changing demands of our valued clients. Optimum Logistics started off with Flat deck Trailers and has grown on to servicing specialised needs, from Containers, Steel, Break-bulk, Hazardous as well as Refrigerated Cargo , and we look forward to expanding to suit your individual needs.

## OUR TEAM

---

With a 15-year tenure in the logistics sector, embarked on his professional journey as a data capture. Progressing through roles in the local and long-distance control, he honed his skills in the management of container depots. Armed with a certificate in road transport management from the University of Johannesburg, Akash seamlessly transitioned into sales within the logistics domain.

Fuelled by a passion for entrepreneurship and a wealth of industry insight, he made a bold decision to establish Optimum Logistics. This venture marked a significant milestone as Akash took the reins of truck ownership, weaving his expertise into a fabric of his own logistics enterprise.
